

# Extraordinary Vessel Tx. and Advanced Meridian Therapy

Traditional Japanese Acupuncture Institute (TJAI), 2021

Instructor: Takayuki Koei Kuwahara, LAc. President of the Hari Society [www.culia.net](http://www.culia.net).  
Organizer, Instructor: Mark Petruzzi MS, LAc, LMT Director of the (TJAI)  
631-559-2220 [TJAinstitute@gmail.com](mailto:TJAinstitute@gmail.com)

The use of the 8 extraordinary (and Super 4) vessels in Meridian Therapy and EV abdominal diagnosis developed by Yūki Miyawaki will be focus. Also, Instructor will take a more detailed look at the patterns of Meridian Therapy delving into heat, cold and excess (Blood Stasis) patterns that accompany the basic sho. The course will work to transform sensitivities, increase the practitioner's awareness, and provide additional tools to bring balance back to the system.

**25-26-27 June 2021**
