

# Think Autumn Celebration ! Lecture & Pot Luck Party

October 20th, 2007

*Please join Lecture for Preventive Care and Treatment of Common Cold and we celebrate this beautiful Autumn.*

Our clinic is a bright, colorful and vibrant healing from this Autumn.

We will offer Lecture, Breathing Exercises in Preventive Care and Treatment of Cold. Refreshment will be served. You can bring your favorite pot luck dish. Please bring a friend. I am really looking forward to seeing you again, and hearing how things have been going with you.
