

25<sup>th</sup> Anniversary International Celebration!  
**Okido Yoga & Shinkiko Seminar**  
Phoenicia, NY: May 28- 29-30, 2011 (Memorial Weekend)

*Ki Japanese Healing Wisdom*

for Your Physical & Spiritual Health 25th Annual Japanese Healing Retreat  
Amazing teachers from Japan & Brazil  
Osamu Tatsumura, Masato Nakagawa, Koei Kuwahara  
Fernando Montoto, Kazuko Tatsumura, Masumi Takahashi

This Seminar is for everyone. Let's learn to live a happy and healthy life through *Okido* (Japanese Yoga based on Shintoism, Buddhism and other oriental disciplines) and *Shinkiko* (healing of mind and body with *ki*). Our goal is for the participants to get a clear experience of the relationship between the mind and the material world, and to feel how a change in the mind-heart really does change our bodies and lives. This will be accomplished through lectures, exercises, treatments, harmonizing and unifying our breath, body, mind-consciousness, while experiencing and moving our *Ki*.

What you experience may include: NCCAOM PDA 31 POINTS !

- Oriental philosophy & diagnosis -*Okido* Japanese integrated yoga -Searching for positive aspects
- Special Breathing Exercises - Eye sight improvement - Meditation practice
- *Onnetsu* Far Infra-red Therapy - Shinkiko Harmonizing: *Ki* fusion - Purification of body, mind & spirit
- Healing through body- relation points - Various pain & stress relief techniques
- *Okido* concept of food; Vegetarian meals - *Shinkiko* for personal relationships and finances

Some of the many great comments by past participants of Okido/Shinkiko Seminar

"The Okido Shinkiko Seminar was the most enlightening experience in my life. I am eternally grateful." — D.L.

"This workshop was a life-changing experience. I enjoyed all aspects of the teachings, healings, and the bonding with participants." -C.M.

"An incredible experience, loving teachers and kind people ...a marvelous foundation for self-discovery
