The practice of Shinkiko seeks to promote greater awareness and access to the vibration of love and healing that is abundant in the universe.

We can harmonize with this energy and activate it on a daily basis to heal ailments, transform emotional stress, create peace for ourselves, family and as a whole, society.

In this intensive, *Kaicho* will help us to delve further into Shinkiko:

- * **Receive** healing Ki energy directly from *Kaicho* Nakagawa.
- * **How** to access and transmit Shinkiko to enjoy your fulfillment in life.
- * **Learn** practices to maintain your Ki and Distance Healing
